“ SSG Mobley. First off thank you for your service. Having served downrange as a DA Civilian I can only relate just a little as to what you went through. Secondly rest easy in the arms of God. You are with him now and you will find peace and the love our Father has for you is infinite. Godspeed young warrior and we will all see you on the other side, in the sweet by and by. “ Mike and I were best friends back in our teenage years , along with our best friend Mike Blackall. when we all lived in Darmstadt Germany. I am so saddened to hear of this. My heart breaks for his family . I am so deeply sorry for your loss and my prayers are with you at this time. Mike was a great person and he will be missed deeply.

“ I had the honor and pleasure of knowing Michael since he was a young teenager. To this day I have loved him as much as I have loved one of my own children. He was a stand-up guy, with a sweet temperament. As I read about his death, I began to wonder when was the last time we spoke, and I think it was when we both were stationed in Germany, He took his responsibility with a serious heart

Now he is my son Richard, and they were great friends. Love ya kid always, G
